CONDITIONS OF SALE

ALL items in this list are offered subject to being unsold on receipt of order.

Our shipping season extends from September 15 to May 1st.

We recommend Express shipments when your P. O. and Express Office are different, besure to give both. Only small plants can be sent by mail.

Please do not order your goods to be sent by mail and expect them to be as large as we send by Express. Be sure to add one fifth more to your remittance when to be sent by mail.

Send Cash by Registered Letter, P. O. Money Order, Express Money Order or Check. We don't care to take stamps and would not care for orders for less than one dollar. If you do not receive the goods you will get your money back.

Our prices have not advanced like most of others. Our stock is just as good and in some cases, better than in former years.

We have Wells Fargo and American Express Offices.

We solicit your patronage.

Sincerely yours,

SAM STOKES & SON.
